 - *Georgia Farmers Need Our Help - Hurricane Helene has devastated farms across Georgia, and our farmers are struggling to rebuild. These are the people who grow our food and support our communities—now they need us. I'm raising funds for the Weathered But Strong: Georgia Hurricane Relief Fund, with 100% of donations going directly to farmers. Every little bit helps, and even the smallest donation can make a difference. If you can't donate, please share this post to spread the word. Together, we can help Georgia farmers recover and keep our agriculture strong. Thank you! ❤️ #SupportGeorgiaFarmers #HurricaneRelief*
